GAEL GENET

WEB DEVELOPER

289-993-7500 - Oakville, ON
this@ggenet.pw – www.ggenet.pw

Currently on a work permit in Canada (IEC), I am searching for a position in web development in Toronto where my past experiences and knowledge will contribute to new projects. I am interested in full-stack development (integration, front-end, back-end, databases).

- Strong skills in JavaScript, AngularJs, Ionic, Cordova, HTML, (S)CSS, Node.js, Unit testing, MySQL, MongoDB, Git
- Experience with Java, GWT, Hibernate, Android SDK
- Worked in Agile / Scrum environments
- Fluent in both French and English
